

I am Going to College Mantra™

Written by Savannah C. Jones, PhD
All Rights Reserved

Teach me. I can succeed.

I came into this world with a clean slate...ready for you to help me find my way.

I am bold.

I am amazing.

I am confident.

I am strong.

Keep my confidence in tack. Don't rob me of my ability to be successful.

Let my light shine.

Let my intelligence reach its full potential.

I will, because I know I can.

I will, because I know I must.

The future of this world depends on me. I must do my part because I am capable.

I am bold.

I am amazing.

I am confident.

I am strong.

Keep my confidence in tack. Don't rob me of my ability to be successful.

Teach me...Teach me...Teach me...

I AM GOING TO COLLEGE!!!

My Education. My Future. Mykayla
